I Can Help Give You More Bodily and Mental Vigor

In Two Weeks' Time in Many Instances

OVER 4,000,000 PEOPLE called on me for assistance during the past year.

Among those who have tried me are PHYSICIANS, former UNITED STATES SENATORS, MEMBERS OF CONGRESS, Judges of United States Courts, Generals of the United States Army and many prominent people.

EVEN POPE BENEDICT OF ROME WROTE ABOUT ME IN A NICE NOTE to the Director of the Pharmacy Normale of Paris.

If you are weak, irritable, easily upset, don't sleep well, are under great stress, strain or worry, or if lack of iron in your blood is sapping your bodily and mental vigor, weakening your will power and thereby keeping you from making the money or the success in life that you should make, I would like for you to try me. I am NUXATED IRON—organic iron. I am like the iron in your blood and like the iron in spinach, lentils and apples. I help make strong, forceful, red blooded men and beautiful, healthy, rosy-cheeked women. Without iron like me, your blood becomes pale, thin and watery, and loses its power to change food into living tissue; therefore, nothing you eat does you the proper amount of good—you do not get the full strength out of it.

To prove to yourself what I can do get your doctor to take a specimen of your blood and make a "blood-count" of your red blood corpuscles, then try me for one month and have a new "blood count" made and see how your red blood corpuscles have increased and how much stronger and better you feel; how the color has come back to your face and how much stronger and more steady your nerves now are. I will not injure your teeth, not disturb your stomach. I am entirely different from ordinary metallic iron which people usually take. You need not lose a cent on me.

If I don't give you satisfactory results my manufacturers will refund your money. Get only me. Beware of imitations. I come in tablet form only—Look for the letters N. I. on every tablet. At all druggists.
